**Stoney River Marshfield Earns National
Quality Award from Leading Senior Care Association**

MARSHFIELD, Wisc. (June 26, 2025) – [Stoney River Marshfield](#) has been recognized as a 2025 recipient of the *Bronze – Commitment to Quality Award* by the [American Health Care Association and National Center for Assisted Living](#) (AHCA/NCAL) for their team's commitment to improving the lives of their residents by providing quality care and services.

"Thank you to AHCA/NCAL for honoring our community with this prestigious award," Sarah Krenn, Stoney River Marshfield executive director said. "Providing our residents and their families with the best possible care and services we can is what we live for, and we're thankful that goal is being achieved. Our work does not stop here though, as our team is passionate and devoted to achieving continuous quality improvement that elevates our residents' health, wellness, and happiness."

Providers begin the quality improvement process at the Bronze level, where they develop an organizational profile with essential performance elements such as vision, mission statement, understanding of key customers, and key strengths and challenges. Bronze applicants must also demonstrate their ability to implement a sustainable performance improvement system. Trained examiners review each application to determine if a center has met the demands of the criteria. Stoney River Marshfield is one of only 20 Wisconsin-based communities that received the Bronze Award in 2025.

"We commend this year's recipient for taking this important first step on their quality journey," Cliff Porter, president and CEO of AHCA/NCAL said. "Their commitment to continuous improvement and resident-centered care reflects the heart of our mission and lays a strong foundation for future excellence."

Stoney River of Marshfield offers exciting amenities that help its residents and families feel comfortable and at home. Stoney River's award-winning care and services help those who wish to maintain different levels of independence, enjoy the comfort of home, take advantage of opportunities to become leaders and contributors, benefit from unique amenities, and develop new friendships.
